MARTIN HALL

University of Louisiana's **Martin Hall (main photo)**, built in 1963, is the administrative center of campus. It houses the president's office, academic and personnel deans, the registrar and business and purchasing offices. Located in the heart of campus is **Cypress Lake (top inset)**, which is the only on-campus freshwater swamp in the nation. The majority of UL's 137-acre main campus is adorned by **oak trees (left inset)**.

CAMPUS LIFE

The **University of Louisiana**, also known in French as *Université des Acadiens* (The University of the Acadians), is a coeducational public research university with high research activity located in Lafayette, La. It is the largest institution within the eight-campus University of Louisiana system and is the second largest university in Louisiana.

For more than 100 years, the University has enjoyed a proud tradition of preparing students for the challenges of life and the ever-changing workplace. Students are taught, mentored and advised by some of the brightest and most accomplished faculty members in the nation.

A variety of learning environments are available, including classrooms, research laboratories, learning communities and actual workplaces.

A wide range of cultural, recreational and social activities are available, both on and off campus. Students can choose from among more than 150 campus organizations and clubs, in addition to other activities offered throughout campus.

Best of all, Louisiana is affordable. With moderate tuition and fees and extremely generous financial aid and scholarship programs, the actual "cost of attendance" is likely to be well below that of other colleges and universities around the country.

The **"Walk of Honor,"** a walkway built with bricks inscribed with the name of every graduate of the University, is a lasting tribute to the more than 100,000 graduates educated at UL in the past 100 years.

Head Football Coach
University of Louisiana at Lafayette

Dear Ricky:

I would like to take this opportunity to applaud you, your coaching staff and especially your football team for an outstanding effort in the classroom this past spring semester. Your squad recorded a 2.579 grade point average which is the highest average ever achieved (on record) by our football program. This 2.579 average eclipsed the previous high of 2.390 which was recorded in the fall of 2001.

Again I want to congratulate you on this milestone achieved in the classroom. I certainly believed that your support and the involvement of your staff with study hall are contributing factors to the successful semester. I look forward to a new trend in academic success in future semesters.

ncerely,

. Cottonham

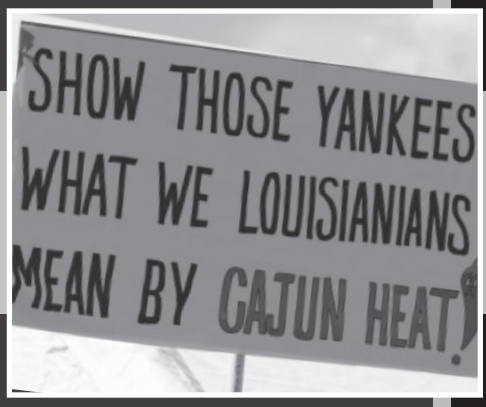
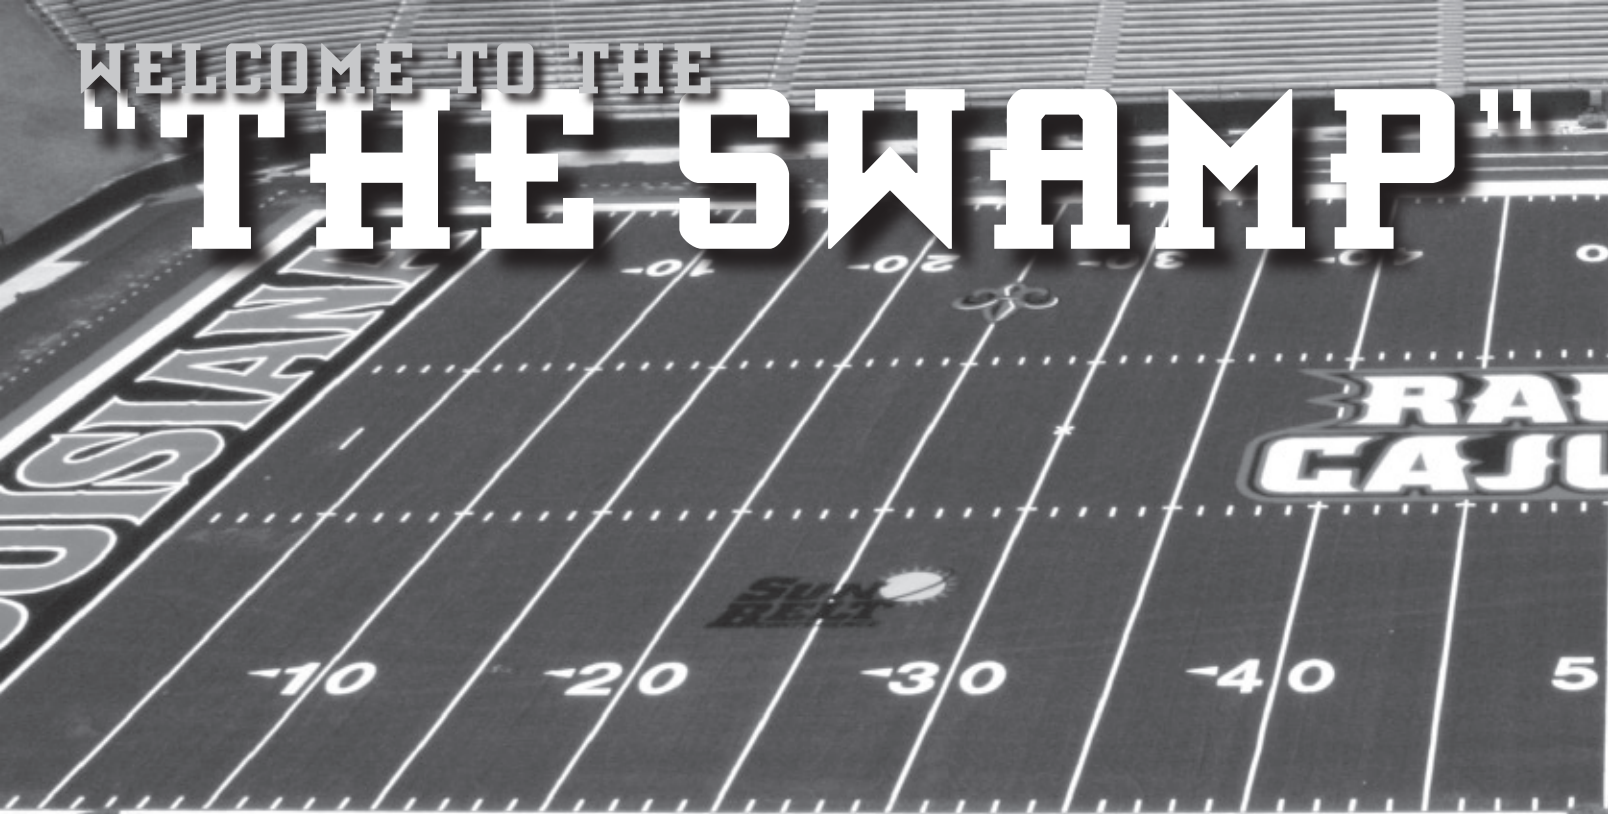
ADVANTAGE

POINTS OF PRIDE

- Cajun Field enters its 39th season as the home of the Ragin' Cajuns football team.
- On Sept. 25, 1971, Cajun Field was christened by a 21-0 shutout in favor of the Cajuns.
- For the first 17 years, Louisiana's football stadium was simply known as Cajun Field. In the summer of 1988, then-Strength & Conditioning Coach Mickey Faulkinberry suggested referring to Cajun Field as "The Swamp".
- The field surface is set two feet below sea level in a natural bowl.
- A new Pro Grass synthetic surface was installed on the football field in the summer of 2008.
- Cajun Field led the Sun Belt Conference in attendance in 2004 and 2008 and set the largest home-stadium crowd (33,828) and largest conference game attendance (29,031) in Sun Belt history.





WELCOME TO THE "THE SWAMP"

39th Season • Seating Capacity: 31,000

Cajun Field enters its 39th season as the home of Louisiana Ragin' Cajuns football, having hosted the 1,000th game in school history last season.

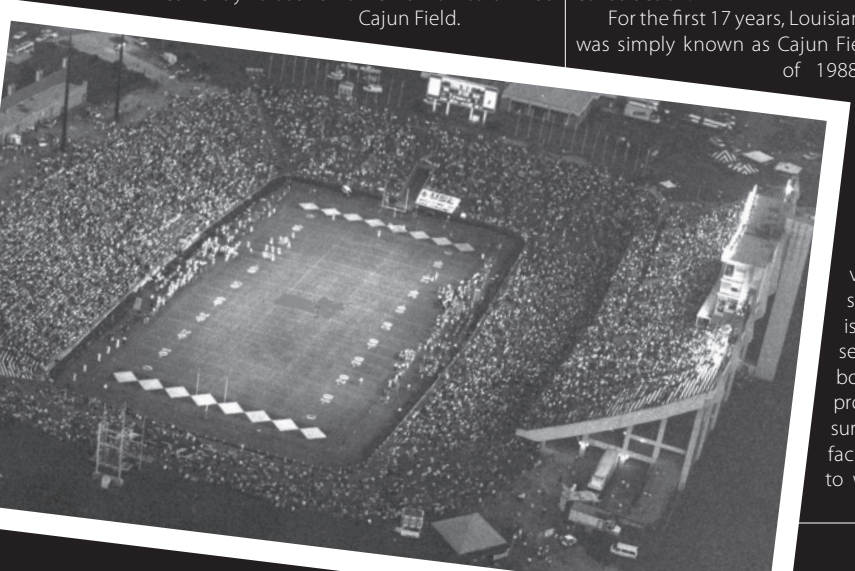
Attendance numbers have spiked in recent years, as two of the five highest attended games ever have occured in the last two seasons (33,828 versus McNeese State in 2007 and 29,031 against FIU in 2008). Those attendance figures also rank No. 1 and No. 7 on the largest home stadium attendance in Sun Belt Conference history.

The fans have also come to support their team during conference play. The Cajuns own seven of the 14 all-time biggest crowds for a SBC game.

With a 4-1 record at home in '08 and one of the nation's top offenses, the Cajuns posted their best home average since 1996 with 21,468 per game.

For the first five seasons under head coach **Rickey Bustle**, the Cajuns posted a winning record at home. In addition, attendance for the first four seasons under Bustle increased 41 percent over the preceding four-year period.

From 2003-04, Louisiana won six straight home games, the fourth longest streak at Cajun Field. UL currently holds an all-time mark of 109-92-2 at Cajun Field.



Louisiana has enjoyed plenty of memorable moments since the venue opened in 1971.

The greatest of those moments came during the 1996 season when the Ragin' Cajuns opened their 26th season in the facility with the biggest upset in school history, a 29-22 victory over No. 25 Texas A&M in front of a Cajun Field-record 38,783 fans. It is also the largest crowd to ever attend an athletic event in Acadiana.

That mark surpassed the previous record crowd of 36,133 that saw the Cajuns face the Alabama Crimson Tide on Oct. 6, 1990.

"The Swamp" has been the site of much success with four consecutive 4-1 records from 1993-96. The school record for wins at Cajun Field in a season is seven, set during the 1976 season, one of two undefeated seasons at "The Swamp."

Cajun Field boasts 2,577 chairback seats and bleacher seating to the capacity of another 28,423, giving "The Swamp" a seating capacity of 31,000.

Cajun Field was built in time for the 1971 football season. The characteristics which helped create the name and traditions have been there since the initial construction.

For the first 17 years, Louisiana's football stadium was simply known as Cajun Field. In the summer of 1988, then-Strength & Conditioning Coach Mickey Faulkinberry suggested referring to Cajun Field as "The Swamp".

The name stuck for various reasons. To start, the field surface is set two feet below sea level in a natural bowl. In addition to providing a picturesque surrounding, the sunken facility allows most fans to walk down to their stadium seats. The Cajuns and their opponents must enter Cajun Field through a long tunnel from the Cox Communications Athletic Center.

"The Swamp" nickname also fits in with the geographic makeup of the area, with its many surrounding bayous and wetlands, as well as the close proximity to the Gulf of Mexico, which lies just 30 miles south.

In fact, a popular gathering place for Louisiana students and a regular stop for visitors is the small swamp located in the heart of UL's main campus, which sits adjacent to the Student Union. Ironically, the on-campus swamp, officially named Cypress Lake, lays over the original football field that existed during the early 1900's, adding to the distinct nickname.

The National Wetlands Center, a nationally renown research facility that UL hosts and administers, is located less than a half-mile from Cajun Field.

In the summer of 2008, Cajun Field removed its long-standing natural grass and entered a new era with a synthetic playing surface.

ATHLETICS FACILITIES

LEON

MONCLA

INDOOR PRACTICE FACILITY

- A new era of Ragin' Cajuns facilities was born in August 2007 when the multi-purpose Leon Moncla Indoor Practice Facility was unveiled.

- The 88,791-square foot facility was built by architect Gene Sellers for approximately $4.5 million.

- The facility houses a full 120-yard football field turf surface purchased from the New Orleans Saints that was used during the 2003 NFL season. The turf was also used for the New Orleans Bowl and Sugar Bowl National Championship game.

- Drop-down batting cages hang above the west end zone and are utilized by the baseball, softball and golf teams. Baseball and softball have also used the turf to take infield practice.

- The basketball portion includes a full court with six goals, locker room, video room, players lounge and meeting room. The basketball court was taken from the CAJUNDOME and was replaced by a court used in the NCAA Women's Basketball National Championship game.

STRENGTH & CONDITIONING

It's not surprising that the success enjoyed by Louisiana's overall 16-sport athletic program during the last decade coincides with the implementation of a year-round strength and conditioning program, geared toward developing and maximizing each student-athlete's athletic potential.

Each of Louisiana's student-athletes go through a year-round program stressing the development of strength, power and speed and uses the outstanding facilities of the 6,500-square-foot weight room located in the Cox Communication Athletic Center.

The Cajuns strength program consists of three full-time coaches. Head strength coach **Rob Phillips** is entering his fourth year as the director of the Ragin' Cajuns strength and conditioning program. Phillips is joined by assistant strength coaches **Jake Rayburn** and **Medgar Harrison**.

Among the impressive setup are many of the most modern equipment and fitness machines in the industry. The weight room facility is 6,500-square foot and is located in the back of the athletic complex. Architectural work is underway for Phase Two of the Cox Communications Athletic Center renovations, which includes expansion of the weight room.

Besides the weight room, Phillips and his staff also use other training and conditioning programs, many of which take place outside the weight room where groups take part in special stretching and flexibility programs as well as outdoor training methods.

ATHLETIC TRAINING

The treatment of injuries has always been considered the primary duty of the athletic trainer, but that duty is changing, according to Louisiana **Director of Athletic Training/Associate Athletics Director John Porche**.

In the areas of prevention and treatment, Porche and the Louisiana athletic training staff use a wide range of facilities both in and out of the Louisiana Athletic Complex. The complex's athletic training room includes all of the most modern equipment, including ultrasound machines, galvanic simulation machines and hot and cold whirlpool units. There is also a unit in the expanded Earl K. Long Gym.

Porche and five assistant athletic trainers are certified by the Louisiana Athletic Trainers Association and oversee a staff that includes about 20 student athletic trainers.

All 16 Louisiana varsity sports fall under the jurisdiction of the athletic training program, and all home events and most road events are staffed by members of the program.

The Cajuns have the services of an outstanding team physician, Dr. J. Lee Leonard, one of the most respected sports medicine experts in the nation, along with Dr. John Schutte, Dr. Mike Duval, Dr. Scott Yerger and Dr. Matthew Williams serving as orthopedic consultants, while Dr. Glen Mire, along with Dr. Amanda Phillips-Savoy and Dr. Thomas Bond, serve Louisiana in the areas of general and internal medicine.

Some of the most important facilities in the Louisiana program are located at three area hospitals – Lafayette General Medical Center, Our Lady of Lourdes Regional Medical Center, University Medical Center and Park Place Surgery Center. The four hospitals all provide key services in the treatment of athletes.

Because of these resources, student-athletes are able to return to action sooner after an injury, and at the same time, more injuries are preventable because of the advances in other areas.

Injuries that once sidelined athletes for a year are now treated and reconditioned in a fraction of that time. The growth of arthroscopic surgery in some cases and the increased emphasis on injury rehabilitation accounts for much of that.

The other area in which the athletic training program at Louisiana plays a pivotal role is in drug education and testing. Louisiana has provided its student-athletes with a drug education program for over 20 years. The program is designed to prevent the abuse of drugs by student-athletes and provide education into the perils of drugs.

HOME GROWN HEROES

Although the Cajuns rely on a bevy of athletes from all across the country, some of the biggest names to come through the program have been from right here in the Pelican State. Louisiana talent has been responsible for 33 All-Sun Belt accolades, 32 All-Big West recipients and 18 All-Southland (all first team) honors.

Over the past two seasons, 14 of the Cajuns 17 All-Sun Belt awards came from players that attended high school in Louisiana.

Twenty (20) Ragin' Cajuns legends from Louisiana have gone on to play in the NFL, including: **Louis Age**, **James Atkins**, **D'Anthony Batiste**, **Karl Bernard**, **Anthony Clement**, **Kenyon Cotton**, **Richie Cunningham**, **Jake Delhomme**, **Brad Franklin**, **Mark Hall**, **Kyries Hebert**, **Brian Jones**, **Elvis Joseph**, **Brian Mitchell**, **Donovan Morgan**, **Lance Poimbeouf**, **Brandon Stokley**, **Ike Taylor**, **Orlando Thomas** and **Clarence Verdin**.

season PREVIEW

The Cajuns Offense

The 2008 Ragin' Cajuns had what was dubbed the "Playstation Offense", putting up staggering offensive numbers around a trio of superstars. An injury to starting quarterback Michael Desormeaux slowed the team some, but behind running back Tyrell Fenroy and wide receiver Jason Chery, the team continued to roll.

The 2008 Cajuns crushed the school record for total offensive yards (5,390 vs. 4,780 in 1995), completion percentage (63.5% vs. 57.7% in 2004) and touchdowns (54 vs. 46 in 1995).

Increases from the previous season were seen across the board, as UL upped its yards per play from 5.5 yards to 6.6 yards per play. The 2008 offense averaged 449.2 yards per game, compared to 386.6 yards the year before, and increased its scoring from nearly 24 points per game to over 33 points per game last season.

Over the past four seasons, the Cajuns have totaled 11,244 yards rushing and 109 rushing touchdowns in 47 games – an average of 239 yards and over two rushing scores per game on the ground.

Chery, Desormeaux and Fenroy all moved on, signing NFL contracts and leaving the Cajuns looking to fill the void.

The good news is that the Cajuns offense have stability from the coaching side, as offensive coor./OL coach **Ron Hudson** and passing game coor./QB coach **Jorge Munoz** both return. The team endured three consecutive seasons with a different offensive coordinator and quarterbacks coach from 2006-08.

Hudson and Munoz worked well together in their first season, producing the nation's No. 7 rushing offense, No. 13 total offense and No. 24 scoring offense. The pair should benefit from a second season together tutoring the Cajuns young talent.

BRAD McGUIRE

Quarterback

• The team needs to fill the void left by Michael Desormeaux, a two-year starter and 2008 Sun Belt Conference Offensive Player of the Year

•The Cajuns saw a fierce spring battle ensue between five quarterbacks.

• Sophomore **Brad McGuire** has the inside edge to win the job, starting vs. Arkansas State in 2008 and leading the team to victory when Desormeaux was sidelined with an injury. He continued to be the leading candidate for the job with excellent play during the spring until an injury forced him to the sidelines for the final week of spring ball.

• McGuire showed veteran composure in his only start last season. His second interception of the game was returned 29 yards for a touchdown with only 7:39 remaining, putting the Cajuns in a 23-14 hole. His second rushing TD of the game just 3:23 later closed the gap to 23-21. After a defensive stand, McGuire led the game-wining drive, completing a pass of 14 yards on third-and-eight and a 30-yard strike on third-and-14.

• Sophomore **Chris Masson** and redshirt freshman **Blaine Gautier** played very well in the spring to cloud the picture even further. Masson appeared in several games last season and shined as the No. 1 quarterback late into spring practice when McGuire was sidelined with an injury.

• A fall battle will decide the starter, with redshirt freshmen **Keldric White** and **Brady Thomas** still in the mix.

• The Cajuns will experience growing pains at the quarterback position. The young and talented group owns just one career start, 39 career passing attempts and three passing touchdowns.

UNDREA SAILS

Running Back

• For the past four seasons, the Cajuns knew what they were getting at running back. Tyrell Fenroy, the 2008 Sun Belt Conference Player of the Year, became just the seventh player in NCAA history with four 1,000-yard rushing seasons. He ended his career as the school, conference and State of Louisiana career rushing champion with 4,646 yards. Fenroy topped 100 yards rushing in 22 games and scored 48 rushing TD's - school and SBC records.

• The burden to follow Fenroy, who had his number retired in a pre-game ceremony in the 2008 season finale, falls on a group of untested players. Seniors **Undrea Sails** and **Matt Dupre**, along with sophomore **Julian Shankle** and redshirt freshmen **Draylon Booker** and **Yobes Walker** all had chances to showcase their talents in the spring.

• The running back group enters the season with just 72 career carries and will learn under fire from new coach Justin Lustig. Lustig enters his first season guiding the Cajuns running backs and special teams.

• Sails made his case for the job during the spring and begins the fall as the top option. He played well in spot duty behind Fenroy last season until a knee injury ended his campaign with three games remaining.

• Shankle averaged 4.3 yards per carry last season and scored a pair of touchdowns in limited duty. He was having a good spring until a hand injury forced him to miss the second half.

• Dupre, Booker and Walker will continue to get looks and each will have the opportunity to make their case for carries in the fall.

LADARIUS GREEN

Receivers & Tight Ends

• Jason Chery was the Cajuns most dynamic wide receiver in 2008, but his presence could be duplicated by any one of three new players.

• Junior college transfers **Rico Joseph** and **Vernon Wolfe** enrolled in school for the spring semester and look poised to make major contributions in the fall.

• Junior **Marlin Miller**, who sat out 2008 to focus on his academics, also showed promise in the spring despite the lay-off.

• Senior **Louis Lee** and junior **Richie Falgout** will be counted on to be the backbone of this group.

• Experienced sophomores **Ross Goodlett** and **Pierre Hill** provide excellent depth.

• The Cajuns depth should be an important asset to whichever young quarterback starts under center.

• Eighteen different players made at least one reception in 2008. Eleven of those 18 players return to the Cajuns offense this season.

• The tight end position learned a lot from departed senior Erik Jones and two understudies return ready to shine.

• Six-foot-six **Ladarius Green** made 22 receptions as a true freshman and scored five touchdowns. He will be a major factor along with senior **Luke Aubrey**. The six-foot-five Aubrey found the end zone three times in 2008.

• As a group, the Cajuns tight ends caught 39 passes and scored nine TD's last season. The coaching staff looks for an even greater output from its tight ends in 2009. Expect to see Aubrey and Green in not only the traditional tight end role, but split out in the slot running vertical routes to stretch the defense.

CHRIS FISHER

Offensive Line

• For the second straight season, the offensive line will return five starters. The Cajuns depth is young but talented and benefited from extended spring reps.

• Seniors **Chris Fisher** and **Brad Bustle**, both on the 2009 Rotary Lombardi Award preliminary watch list, sat out the spring after post-season surgery. Fisher is also on the Rimington Trophy Watch List. Both Fisher and Bustle are expected to be ready for the fall.

• Senior **Kyle Pirtle**, and juniors **Jonathan Decoster** and **Ian Burks** round out the returning starters on the offensive line. The five would have started all 12 games together if Burks hadn't been limited by a back injury and not been a starter in week 10.

• Without Fisher at center in the spring, Burks took all of his reps at center. Burks is slated to compete at guard in the fall, but will be a fall-back option at center if Fisher's recovery is slowed.

• Junior tackle Colin Windsor earned the start at guard in place of Burks last season and saw time in the first 10 games of the season before missing the final two games with a thumb injury. Windsor has fully recovered and took his normal spring reps at right tackle.

• Sophomore left tackle **Kyle Plouhar** played sparingly in six games, getting his feet wet as a redshirt freshman.

• Redshirts **Jaron Odom**, **Sean Osborne** and **Evan Ruiz** saw tons of reps in the spring and should provide playing time on the two-deep.

• Junior **Nasser Jamal** missed the entire 2008 season and all of spring drills recovering from a knee injury. Jamal is expected to return in the fall and compete for time at left tackle.

season PREVIEW

The Cajuns Defense

The Cajuns defense, known by their motto, TNT (tackles and turnovers), improved in their second year under defensive coordinator Kevin Fouquier. The defense allowed fewer points, less yards per game and created more turnovers in 2008 than 2007.

After playing with several young and inexperienced players in 2008, the defense returns a plethora of players that have either started or seen significant playing time.

The team lost only two of its top 12 tacklers from a year ago and sees all but one player who recorded a sack last year returning in 2009.

The defense also scored several touchdowns during the season. Gerren Blount provided a pair of scores, one coming via a 22-yard fumble return vs. FIU, while his other score came on a 55-yard interception return vs. UTEP. Scooter Rogers also took a fumble return 30 yards for a TD at FAU.

The defense will certainly have to continue improving to give the Cajuns a chance to be better as a team in 2009.

Nine starters return from last season, which should help improve the overall consistency of the group. In fact, of the 24 letterwinners returning on defense, just six are seniors, meaning the team is loaded with young, but experienced, talent.

HALL DAVIS

Defensive Line

• The Cajuns lost only two players up front on the defensive line, including starter Lanier Coleman. UL returns eight letterwinners on the defensive front and adds a junior college transfer and five redshirt freshmen.

• The defensive front is wealthy with upperclassmen. Seniors **Hall Davis**, **Chris Lanaux** and **LaQuincy Williams** join talented juniors **Terrell Richardson**, **Jordan Topp**, **Sharrick Moore** and **Jermaine Rogers**.

• Despite the experience, it was a redshirt freshman that led the defensive linemen in tackles and tackles-for-loss during the 2008 season. Now a sophomore, **Nate Douglas** continued to play well in the spring and will push incumbent starting defensive ends Davis and Richardson. Lanaux will also be in the mix.

• At defensive tackle, Rogers and Williams will again split time and starts at one spot. Topp could steal playing time with a good fall, but the junior college transfer missed spring football with a lingering injury sustained prior to his spring semester enrollment.

• To replace Coleman, the Cajuns will likely lean on sophomore **Derreck Dean**. Dean played in all 12 games last season as a true freshman and won the spring battle over Moore. The team projects incoming sophomore transfer **Tyrell Gaddies** (Coffeyville CC) or injured redshirt freshman **Tory Day** to provide depth.

ANTWYNE ZANDERS

Linebacker

• The linebacker position was a problem for the Cajuns in 2008, but should be a positive in 2009. The Cajuns lost five linebackers for the season and rolled through 11 different players at the position.

• Seven different players started at linebacker last season. All seven return, giving the Cajuns experience and depth.

• The competition at linebacker in the spring was incomplete, as **Grant Fleming** and **Richard Brooks** were still recovering from knee injuries that cost them most of the 2008 season.

• Despite missing seven games, Fleming still placed eighth on the team in tackles. Brooks missed six games, but ranked ninth on the team in tackles.

• Seniors **Antwyne Zanders** and **Jezreel Washington**, junior **Daylon McCoy** and sophomores **Kyron Benoit** and **Devon Lewis-Buchanan** received plenty of playing time in the spring and the group should be at the top of their game in the fall.

• McCoy and Zanders tied for the team lead in tackles, with McCoy leading the Cajuns in sacks.

• Washington was fifth in tackles, giving the Cajuns three linebackers in the top five in tackles for the third straight season.

Block Party

Since Coach Bustle's arrival, the Cajuns have blocked 35 kicks, ranking third in the nation over that span. Scoring on special team's blocks has been special for the Cajuns, accumulating six touchdowns and one safety. In 2003, the Cajuns returned two blocked field goals for touchdowns to set a NCAA single-season record. Charles Tillman was the last Cajuns player to block two kicks in the same game when he stuffed two punts at Arkansas in 2002.

ORKEYS AURIENE

Secondary

• The secondary returns seven of the 10 letterwinners from a year ago.

• The team must replace starting safety Derik Keyes and cornerbacks Justin Branden and Scooter Rogers. Branden and Rogers combined to start six games.

• Returning corners **Orkeys Auriene** (8 starts) and **Dwight Bentley** (10 starts) were facing challenges from redshirt freshmen **Rodney Gillis** and **Tim Jackson** until both were injured midway through the spring and lost for the remaining practices. Gillis sustained a serious knee injury and could miss a significant portion of the 2009 campaign. Jackson should return healthy in the fall to back-up Auriene, while senior **Junior Jean** is slotted behind Bentley.

• Senior free safety **Gerren Blount** has started 24 consecutive games, but a strong spring by junior **Maurice Rolle Jr.** has the competition heating up in the fall.

• Keyes' vacant strong safety position was a spring battle between senior **Phillips Nevels** and sophomores **Lance Kelley** and **Chris Richard**. All three are still learning the position, but it was Richard who won the job heading into the fall. Richard competed last fall at linebacker and Kelley at wide receiver before both sustained season ending injuries. Nevels is in just his second year on defense after playing wide receiver for two seasons.

SPENCER ORTEGO

Special Teams

• Special teams are extremely important to Coach Bustle and the Cajuns put in a lot of time during the spring working on their FG/PAT block and their punt block/return. The work has always paid off under Bustle, as the Cajuns have blocked 35 kicks since 2002 – the third most in the nation.

• After losing All-Sun Belt kicker Drew Edmiston, the team auditioned junior **Tyler Albrecht** and redshirt freshman **Brett Baer** all spring. It was a neck-and-neck race that will come down to fall camp. Neither kicker has ever attempted a field goal at the college level. The hot hand (or foot) in the fall will likely win the job.

• Neither Albrecht nor Baer has an edge in handling kickoff duties, so expect another fall camp battle.

• Junior punter **Spencer Ortego** is entrenched as the Cajuns punter.

The Cajuns unusual punting style sometimes limits Ortego's kicking distance, but the results are evident. While fifth in the conference in punting average, the Cajuns were second in net punts, meaning Ortego is placing the ball to limit a return. More than half of his punts (28 of 48) were not returned, including 12 placed inside the 20-yard line. The longest return allowed by Ortego was just 16 yards.

• Look for the team to decide its kick and punt return duties in the fall.

WHO WE ARE

The story behind our name and nickname.

Our Name

We started as Southwestern Louisiana Industrial Institute on Sept. 18, 1901. Dr. Edwin L. Stephens was named the first president, as SLII opened its doors with 100 students and eight faculty members. In 1921, the school became known as Southwestern Louisiana Institute when it was designated as one of the state's institutions of higher learning. Upon achieving university status in 1960, our name was changed to the University of Southwestern Louisiana. That name lasted until 1999 and was replaced by the University of Louisiana at Lafayette. Athletically, using the reference "at Lafayette" is not necessary in the same examples as North Carolina at Chapel Hill, Texas at Austin and Tennessee at Knoxville.

Our Nickname and Mascot

In 1921, then-SLI adopted the nickname and mascot Bulldogs. The first use was a drawing voted on by the student body. Famous architect Hays Town did the first rendition of the bulldog while he was a student.

The first use of a live mascot dates back to 1937. During the 1937-38 school year, the first dog was actually a pit bull. The following season, the school used an English bulldog as its mascot and continued to use English bulldogs every season with one exception. In 1943-44, the school mascot was a stray dog named Willoughby.

For the next several years, all bulldogs were named "Gee" after the popular coach George Mitchell. Mitchell served as boxing coach from 1940-1942 and head football coach from 1947-49, compiling an 18-8-1 record on the gridiron.

Beginning in 1963, just a few seasons after the name change to USL, university football teams were dubbed the "Raging Cajuns" by then-Sports Information Director Bob Henderson and head football coach Russ Faulkinberry. In addition, the team switched from gold helmets to white helmets with an Acadian flag. At the time, more than 90 percent of Faulkinberry's team was composed of Louisiana high school players, many with French-speaking Acadian backgrounds.

The "Raging Cajuns" nickname stuck, and in 1967 the second 'g' was dropped to form the word Ragin'. In the early 1970's other sports teams began to adopt the Ragin' Cajuns nickname. The University made a full switch to Ragin' Cajuns during the 1974-75 school year as part of "Operation Turnaround".

Even though the nickname had changed, USL continued to use a bulldog as its mascot until the early 1970's. In 1982, USL debuted its new mascot, named Mr. Cajun, a shotgun-carrying hunter riding a giant crawfish. The design was chosen from a student-submitted contest. Mr. Cajun was quickly replaced by Cajun Man, but in 1984, the Fabulous Cajun Chicken was introduced and became a wildly popular unofficial mascot who entertained fans for more than a decade. The bulldog mascot, however, was reintroduced as a live English bulldog named Ragin' Cajun from 1990-1996. Red, another English bulldog, debuted in the fall of 1996, but served as the mascot for only one season. Cayenne, the Cajun Pepper, became the new mascot in 2001 and still serves as the mascot today.

The Fabulous Cajun Chicken made a brief return in 2007-08, appearing at a baseball game on Apr. 17, 2007, Football Fan Day on Aug. 12, 2007 and a men's basketball game on Jan. 19, 2008.

Rickey Bustle

Louisiana head coach Rickey Bustle has guided the Cajuns for seven seasons and enters his eighth year in Cajun Country in 2009.

Bustle's Cajuns have won six games in three of the past four seasons, a stretch not equaled since UL was a member of the Big West Conference from 1993-95. In fact, since the 2005 season, only three Sun Belt schools can boast three six-win seasons.

Coach Bustle was victorious 23 times in his first five seasons with the Cajuns from 2002-06, including 11 of the last 17 games. UL won only nine games in the five seasons prior to Bustle's arrival from 1997-2001.

Bustle saw his winning percentage increase each of the first four seasons since taking the job in 2002, but regressed to .500 in 2006. His 6-6 record in 2006 was only deemed a regression because of the high standards and raised levels of expectations by the Cajuns and their fans. In fact, Bustle's 12 wins from 2005-06 were the most in a two-year period since 1994-95.

One of Bustle's proudest moments was watching four-time All-Sun Belt selection and 2008 SBC Player of the Year, Tyrell Fenroy, become just the seventh player in NCAA history to rush for 1,000 yards in four consecutive seasons.

Under Bustle, the Cajuns have been .500 or better at home in six of his seven seasons. Louisiana went 4-1 at home in 2008, giving Bustle a 20-18 (.526) career record at Cajun Field. By comparison, the Cajuns were 6-19 (.240) at home from 1997-01.

In addition to raised expectations, Bustle has brought professionalism and discipline to the program. **From 2002-08, the Cajuns 525 penalties are the fewest in the Sun Belt Conference** and UL boasts the fewest penalties per game over that span.

The fans have also taken notice, as 651,977 have attended games since 2002 for an average of over 17,000 per game. UL has topped 100,000 fans in a season twice since 2004. **The Bustle-era has seen three of the 15 biggest crowds in Cajun Field history**, including the third largest crowd ever. UL owns the Sun Belt record for largest home stadium crowd (33,828) and largest conference game attendance (29,031). **The Cajuns led the SBC in attendance in 2004 and 2008.**

UL began 2003 with an attendance of 24,211 vs. Louisiana Tech, the largest crowd in seven seasons. Then, in 2004, UL saw a crowd of 25,083 for the Sun Belt opener vs. Middle Tennessee and a five-game total of 107,006, the most since 1996 and the eighth best average (21,401) in Cajun Field history. In 2005, UL played before a homecoming crowd of 21,204 en route to a solid two-season average of 19,496 – the best two year average at Cajun Field since 1992-93. In 2006, the Cajuns homecoming crowd increased to 22,093, marking the third straight season with 20,000+ fans for homecoming. **Since 2004, the Cajuns have averaged 21,548 on homecoming**.

The Cajuns went 6-5 (.546) in 2005 to mark UL's first winning record since 1995. **Along with a winning season in 2005 came a share of the Sun Belt Conference championship**. After starting 1-5 (0-2), Louisiana roared back into the SBC race with a come-from-behind road win at Middle Tennessee. From there came a homecoming win over Troy in overtime and a second comeback road win, this time at North Texas. A Senior Day victory over Florida International set-up the season finale at Louisiana-Monroe. The Cajuns rocked the Indians 54-21, claiming the first school title since the 1994 Big West crown.

Bustle was rewarded with a two-year contract extension following the 2005 campaign, which lengthens his contract through 2010.

During his tenure at UL, 18 of Bustle's players have either been drafted or signed NFL contracts, including Charles Tillman and Ike Taylor. Both were selected in the 2003 NFL Draft and both have played in the Super Bowl. Taylor signed a five-year, $22.5 million contract extension in Sept. 2006 that included a $6.4 million signing bonus. In addition, **10 players have been invited to play in post-season all-star bowl games**, with a handful of those players earning multiple invitations.

The Summerville, S.C., native, became the 24th head coach in Louisiana's Ragin' Cajuns football history on December 13, 2001.

Bustle earned his first collegiate victory as a head coach on Sept. 21, 2002 with a 34-0 victory over UAB. Louisiana held the Blazers to just eight first downs and only 94 yards passing.

In 2002, Bustle helped the Cajuns to their first winning record at Cajun Field in six seasons with impressive back-to-back victories over Sun Belt foes Idaho and Arkansas State.

In 2003, UL won four of their last five games en route to a second place finish in the Sun Belt.

More importantly, Bustle's popularity across Acadiana had a significant impact in the stands. As a result, the Cajuns' season ticket base rose by substantial amounts.

The Ragin' Cajuns have been bowl eligible in three of the past four seasons and have led the Sun Belt Conference in attendance during the 2004 and 2008 seasons.

For seven seasons prior to his appointment as head coach of the Cajuns, **Bustle served as offensive coordinator and quarterbacks coach at Va. Tech**. With the Hokies, Bustle developed some of the finest quarterbacks the college football world has seen in recent years.

The list includes former 49ers quarterback Jim Druckenmiller and Atlanta Falcons quarterback Michael Vick. Vick was the first overall selection in the 2001 NFL Draft.

In fact, Bustle coached the top three quarterbacks on Tech's career list for touchdown passes and guided players who have accounted for eight of the Hokies' Top 10 all-time single-season offensive totals and seven of Tech's Top 10 all-time single season passing totals.

The 1999 Hokies averaged a national-best 41.4 points per game, as Tech played in the national championship game.

In Bustle's first seven seasons as offensive coordinator, the Hokies fielded seven of the eight highest-scoring teams in school history.

The team posted a 67-17 record and won three Big East Conference championships. VT went to a bowl game every year he served as offensive coordinator, winning the 1993 Independence Bowl, 1995 Sugar Bowl, 1998 Music City Bowl and 2001 Gator Bowl.

Bustle spent all but one season at Va. Tech from 1987-2001, leaving the Hokies in 1994 for a one-year stint as the offensive coordinator and QB's coach at South Carolina. While at SC, Bustle helped the Gamecocks go from a 4-7 record in 1993 to a 7-5 record and a Carquest Bowl Championship.

From 1987-92, he was the quarterbacks and receivers coach at Tech before moving to offensive coordinator and QB's coach in '93.

His ties to Louisiana include a three-year stint at ULM from 1984-86, where he started as the running backs coach for two seasons before becoming the offensive coordinator and QB's coach.

He has also had coaching stints with East Carolina as a wide receivers and secondary coach (1980-82) and the USFL's Arizona Wranglers as a running backs coach (1983). He broke into the full-time coaching ranks as the defensive coordinator at Gardner-Webb in 1979.

Bustle is a 1976 graduate of Clemson, where he received a bachelor's degree in parks and recreation administration. He was a four-year letterwinner as a wide receiver for the Tigers. As a graduate assistant coach, Bustle earned 27 hours toward a master's degree in Special Education.

Bustle's wife, Lynn, of Charleston, S.C., received her PhD. in curriculum and instruction from Virginia Tech in December 1997. She currently is a tenured professor at UL in the Visual Arts Department in the College of the Arts. They have a son, Brad, who is an All-Sun Belt offensive lineman at UL.

Bustle's Discipline

Since 2002, Rickey Bustle's squads have seen the fewest penalty flags in the Sun Belt Conference. Not only do the Cajuns lead the league in the fewest total penalties, UL also leads with a league-low 6.40 penalties per game. In fact, only one other Sun Belt school has averaged fewer than 6.5 penalties per game. In 2004, Louisiana was flagged for only 61 infractions - the lowest total for the Cajuns since 1990.

Gerald Broussard

Gerald Broussard reclaimed a coaching position at his alma mater in 2008 to coach the defensive line. Broussard, who has been involved with coaching for more than 25 years, had been away from Cajuns football for nearly a decade.

From 1986-98 he worked at Louisiana under then-head coach Nelson Stokley. During that tenure, Broussard helped guide the Cajuns to seven winning seasons and a pair of Big West Conference Championships. He served as the offensive line coach from 1986-91 before moving to tackles and tight ends from 1992-94. Broussard then coached a wide receivers unit from 1995-98 that was led by standout Brandon Stokley. In 1996, Broussard's receiving corps set the school record for receiving yards with 3,076.

Before returning to the Cajuns, the Lafayette native spent the last three seasons as the offensive coordinator at Stephen F. Austin. In 2005-06 he coached the offensive line and tight ends, and in 2007 the H-backs and fullbacks. During his first season with the 'Jacks, Broussard's offense finished 13th in the nation in passing and 21st in total offense. The team surrendered only 16 sacks in 2005, despite throwing the ball an average of 43 times per game. Six 'Jacks received All-Southland Conference recognition.

Hurlie Brown

Hurlie Brown began coaching the entire Cajuns secondary in 2008 after having worked exclusively with the cornerbacks in 2007.

In 2008, Brown helped safety Derik Keyes earn All-Sun Belt honors in his first season as a full-time starter. The year prior, Brown tutored a mixture of inexperienced and veteran corners, including Kyle Ward, who signed a free agent contract with the Green Bay Packers.

Brown joined Rickey Bustle's staff after serving as defensive backs coach at Florida International from 2001 through 2006. His wealth of experience at both the major college and professional levels got the attention of Bustle.

While at FIU, Brown teamed with current Cajuns defensive coordinator Kevin Fouquier to lead FIU's fourth ranked pass defense in 2005, which was bested by only Virginia Tech, Wisconsin and Louisiana State.

Brown's disciples at FIU include Greg Moss, a priority free-agent signing of the Atlanta Falcons and Kevin Timothee a free agent with the Tennessee Titans, New York Giants and NFL Europe's Amsterdam Admirals.

Brown has seven years of professional playing experience including one year with the Washington Redskins and one year with the San Francisco 49ers. He spent his college playing career under Jimmy Johnson and Dennis Erickson at the University of Miami (1988-91) and won two national championships.

Brown was signed as a free agent in 1992 by the Redskins and later signed with the 49ers. He went to play for the Sacramento Gold Miners, San Antonio Texans and the Montreal Alouettes of the Canadian Football League from 1993-97.

Following his CFL career, he joined the coaching ranks at Dillard High School in Fort Lauderdale in May 1998. In May 1999, Brown returned to his prep alma mater, Merritt Island High School, serving as special teams coor./defensive backs coach before joining FIU in 2001.

He served as an undergraduate assistant to Erickson, coaching defensive backs at Miami in 1992. Brown coached the defensive secondary under Erickson and defensive coordinator Sonny Lubick.

Brown was a football and academic standout at Merritt Island High School, where he graduated in May 1987 and later earned a scholarship to Miami.

Kevin Fouquier

Kevin Fouquier came home to Louisiana in 2007 to serve in the role of Cajuns defensive coordinator. In his first season, four players on Fouquier's defense earned All-Sun Belt honors, including true freshman Grant Fleming. Fleming became the first Cajuns freshman on defense to ever earn a spot on an all-conference team. In addition, defensive end Rodney Hardeway (St. Louis Rams) and cornerback Kyle Ward (Green Bay Packers) signed NFL free agent contracts.

The Cajuns saw two more players earn All-Sun Belt accolades in 2008.

Fouquier came to UL after having served as defensive coordinator/defensive line coach at FIU in 2006. In his only season at FIU, Fouquier helped the Golden Panthers defense improve in six key statistical categories from the previous year. FIU led the Sun Belt in total defense and ranked 27th in the nation in 2006 – just one year after finishing 76th in the nation in total defense during the 2005 campaign. FIU's fourth ranked pass defense, up from 52nd in 2005, led the SBC and was bested by only Virginia Tech, Wisconsin and Louisiana State.

In addition, the Golden Panthers led the nation in tackles for loss. FIU also improved its rush defense, interceptions and pass efficiency defense.

Prior to his stint at FIU, Fouquier spent five seasons at Middle Tennessee, the last three as assistant head coach and recruiting coordinator. He coached the linebackers for three seasons and the defensive linemen for two seasons.

The Blue Raiders shared the SBC title during his first season, 2001, while their scoring defense led the SBC, and was 17th in the nation, during his final season.

No stranger to Louisiana, Fouquier, a Franklin native, is a 1989 Louisiana graduate. He was a student assistant coach throughout his undergraduate years, 1985-89, as the Cajuns went 29-26 during that span – including four straight winnings seasons under head coach Nelson Stokley.

Four seasons removed from a brief stretch as defensive coordinator at Teurlings High School in the spring of 1991, Fouquier would land at Louisiana Tech. He was the defensive line coach for five seasons from 1995-99, adding recruiting coordinator responsibilities in 1998.

Fouquier is married to the former Christine Rodriquez of El Paso, Texas. They have four children; Kevin, Victoria, Analise and Carmen-Louise.

Ron Hudson

Ron Hudson holds many responsibilities, serving as offensive coordinator and offensive line coach. Since 2005, the Cajuns have produced one of the most dominating running games in the nation.

The Cajuns running game ranked 7th in 2005, 2007 and 2008 and 11th in 2006.

Hudson tutored an offensive line in 2005 that helped set a school record with 2,797 rushing yards and 34 rushing touchdowns. In addition, UL allowed only nine sacks - the fourth best total in the country.

That rushing record didn't stand long, as Hudson helped the 2007 Cajuns run for 3,019, including 1,000-yard rushing performances from quarterback Michael Desormeaux and running back Tyrell Fenroy. Louisiana became the first team in Sun Belt history to ever rush for over 3,000 yards. The offensive line ranked 19th nationally in fewest sacks allowed.

The school rushing record was broken again in 2008 (3,164 yards), with Fenroy becoming just the seventh player in NCAA history with four 1,000-yard rushing seasons and Desormeaux becoming just the eighth quarterback in NCAA history with back-to-back 1,000-yard rushing seasons.

In four seasons, Hudson has seen 10 All-Sun Belt performers along the offensive line, including three-time All-SBC tackle Jesse Newman. Newman was the third overall selection in the 2008 Canadian Football League Draft.

Hudson came to UL after serving as the offensive line coach at Texas A&M-Kingsville, where he coached three all-conference players, including Roy Stroud, who was a Division II All-American. In addition, TAMU-Kingsville was ranked as one of the top five Division II programs in the nation.

A native of Columbus, Ohio, Hudson received bachelor's degrees in physical education and history from Muskingum College in New Concord, Ohio in 1987. He led the Fighting Muskies to a 29-10 record during his four years, the winningest stretch in school history. Hudson earned all-conference honors as a junior and senior and an academic all-conference accolade as a senior.

He and his wife Melissa are the proud parents of three children, daughter Mackenzie and sons Spencer and David.

Tim Rebowe has strong ties to the state of Louisiana, having coached his entire career in the Pelican State. Rebowe coached the Ragin' Cajuns safeties from 2004-07 and began tutoring the linebackers in 2008.

For the past two seasons, Rebowe guided Antwyne Zanders to All-Sun Belt accolades. Zanders led the team in tackles during the 2007 and 2008 season.

The Cajuns pass defense had a stellar first year under Rebowe, finishing with a No. 11 national ranking in passing yards allowed. Both of Rebowe's starting safeties in 2004 advanced to the NFL.

Rebowe coached strong safety C.C. Brown (101 tackles), who was drafted by the Houston Texans in the 2004 NFL Draft, and free safety Antwain Spann, who signed as a free agent with the New York Giants. Spann played in NFL Europe and is now with the New England Patriots.

In 2005, the Cajuns pass defense was 23rd nationally, allowing only 190 yards per game despite opponents facing an uphill climb in eight games. The Cajuns trailed after three quarters just twice in 2005.

Rebowe has also coached a pair of exemplary student-athletes in Lamar Morgan, a NFF Hampshire Honor Society member and a Draddy Award semifinalist, and Johnny Felders, currently coaching at Istrouma High School.

Rebowe came to UL after three seasons as cornerbacks coach at ULM.

Prior to his stint with the Warhawks, Rebowe spent six years at Nicholls State where he served as defensive backs coach (1995-2000), special teams' coordinator (1995-98), recruiting coordinator (1998-2000), and wide receivers coach (2000). In 1996, the Colonels pass efficiency defense ranked seventh nationally in I-AA.

The native of Norco, La., began his coaching career in 1987 at his alma mater, Destrehan High School.

His ties to the Cajuns began in 1994 when former Destrehan High star Damon Mason transferred to Louisiana from Jones County JC. Mason would go on to have one of the best careers by a defensive back in Cajuns history.

Rebowe earned his bachelor of science in physical education from Louisiana State University in 1987. He is married to the former Kim Robichaux and they have a daughter, Samantha, and a son, Tyler.

* Played in Lafayette, La. (Cajun Field)

The Sun Belt Conference and the R+L Carriers New Orleans Bowl have been tied together since the inception of the game back in 2001. The post-season bowl game is certified by the NCAA and pits the Sun Belt Conference regular season champion against a selected Conference USA team at the Louisiana Superdome in New Orleans.

In 2001, the first New Orleans Bowl featured Sun Belt champion North Texas against Colorado State from the Mountain West Conference; Colorado State won the inaugural bowl game 45-20.

The SBC posted its first bowl win the following year when North Texas edged past Cincinnati, 24-19, in 2002.

The game was sponsored by Wyndham Hotels & Resorts from 2002 through 2004 and was officially called the Wyndham New Orleans Bowl.

In 2005, the New Orleans Bowl was forced to move to Cajun Field in Lafayette, La., because of damage incurred to the Louisiana Superdome by Hurricane Katrina. Southern Miss defeated Arkansas State, 31-19, in the game dubbed as the New Orleans Bowl at Lafayette.

Behind a new corporate sponsorship, the R+L Carriers New Orleans Bowl returned to the Crescent City in 2006. Sun Belt co-champion Troy easily defeated the Rice Owls, who were making their first bowl appearance in 45 years, 41-17.

In 2007, Florida Atlantic -making their first-ever bowl trip- shattered several New Orleans Bowl records with a 44-27 win over Memphis.

The 2008 R+L Carriers New Orleans Bowl was played in primetime on ESPN at 7 p.m. on Sunday, Dec. 21. The 2008 event set a new attendance mark, bettering any of the previous New Orleans Bowls with a crowd of 30,197. The large crowd was treated to extra football, as Southern Miss needed overtime to get past Troy, 30-27.

Additional Bowl Agreements

Last summer, the Sun Belt Conference made agreements with the St. Petersburg Bowl, the Papajohns.com Bowl and the Independence Bowl.

The agreements call for teams from the SBC with a record of 7-5 or better to be the first available teams in these bowls should the contracted parties not be able to fulfill their requirements.

The St. Petersburg Bowl or the Papajohns.com Bowl will have second choice to select one of the Sun Belt's bowl-eligible teams if the contracted parties are not be able to fulfill their requirements.

The agreement with the Independence Bowl calls for that bowl game to receive the third choice to select one of the Sun Belt's bowl eligible teams if the contracted parties are not able to fulfill their requirements.

Fenroy becomes one of only seven players in NCAA history to rush for four 1,000-yard seasons.

■ Six Win Seasons

Louisiana has now won six games in three of the last four seasons. The last time that happened was 1993-95, when the Ragin' Cajuns won at least six games for three consecutive seasons.

■ More Fans

Cajun Field set the Sun Belt attendance record for a conference game when 29,031 witnessed UL topple FIU 49-20. The crowds have been growing, as three of the top 15 attendance marks in the 38-year history of Cajun Field have occurred since 2004.

Top 15 Cajun Field Crowds Under Bustle

5.	29,031	Nov. 1, 2008 vs. FIU
13.	25,083	Sept. 25, 2004 vs. Middle Tennessee

■ Tyrell Fenroy is the Man

Running back **Tyrell Fenroy** did not lose a fumble in 2008. He had just four career fumbles lost in 868 career touches (808 rush/60 rec). Fenroy lost one fumble for every 217 touches. He is the school record holder with 22 career 100-yard games. Fenroy finished with 48 career rushing touchdowns, a school and Sun Belt record. His 4,646 career rushing yards set school, SBC and State of Louisiana records.

■ Two 1,000-yard Rushers Again

QB **Michael Desormeaux** had 1,035 yards rushing, giving the Cajuns a pair of 1,000-yard rushers in the same season for the second straight year. UL is only the fourth school in NCAA history to post two 1,000-yard rushers in back-to-back seasons (Arkansas' McFadden & Jones and West Virginia's Slaton & White did it in 2006-07 and Minnesota accomplished the feat in three straight seasons with Barber & Maroney in 2003-04 and Maroney & Russell in 2005).

■ Running Game Success

The Cajuns ranked 7th in the nation in rushing in 2005, 11th in 2006 and 7th in 2007. Over that span, UL had 8,080 yards and 77 TD's on the ground (an average of 231ypg and two TD's). In 2008, the Cajuns set the school single-game rushing record at ULM with 556 yards on 37 carries (15.0ypc). UL had 3,164 rushing yards (263.7ypg) in 2008, which is a new school record for yards and yards per game. The 2008 Cajuns finished seventh in the nation in rushing, 13th in total offense and 24th in scoring.

	Rushing Yards			Rank

■ Scoring Records

Kicker **Drew Edmiston** tied the school single-game PAT record with eight at North Texas. Edmiston set the school and Sun Belt single-season PAT mark with 50. The UL record was 32, set by Mike Shafer in 1995 and tied by Jeremy Deach in 1996. The SBC record was 48 by Greg Whibbs, Troy, 2007. Edmiston has 108 career PAT's, breaking the school record set by Sean Comiskey (103). As a team, the Cajuns scored a school single-season record 54 TDs (32 rushing). The TD record was 46, set in 1995. .

■ Blocked Kicks

The Cajuns have been one of the best at blocking kicks since the arrival of Coach Bustle. Only Fresno State (44) and Texas (41) and have put hands on kicks more often than Louisiana (35) since 2002.

■ Turning Bad into Good…

The Cajuns started 25 offensive drives inside their own 15-yard line, but scored on nearly one-third of those drives. UL put together seven touchdown drives of at least 85 yards and ended another drive with a field goal. In fact, the Cajuns compiled 22 touchdown drives of 78 yards or more.

■ Under 30

UL is 22-9 in Sun Belt Conference play when holding their opponent under 30 points. The Cajuns are 4-19 all-time when allowing 30-plus points in SBC play. The Cajuns allowed less than 30 points in three of the five games that the team won in 2008.

■ Spreading the Field…

UL had 18 different players with a reception. Only one WR (J. Mitchell) and two FB's (C. Roberson and P. Walker) didn't have a reception. Just three schools, Troy (22), Arizona State (19) and Tulane (19) had more players with at least one reception. UL had 12 different players make a catch at FAU.

■ Career Day

Jason Chery had 335 all-purpose yards and five touchdowns – in the first half – of Louisiana's 59-30 road victory at North Texas. His five touchdowns tied a school and conference record for touchdowns and points in a game. Chery had just seven touches in the first half, but scored five times. He hit pay dirt on a 97-yard kickoff return, an 81-yard run and caught scoring passes of 17, 49 and 57 yards. Chery became the first player in school history with three runs of at least 80 yards in a career. His 97-yard kickoff return was the fifth longest kickoff return in Sun Belt history.

■ Career Day II

Tyrell Fenroy was named the Walter Camp Football Foundation Bowl Subdivision Offensive Player of the Week for games ending October 4. Fenroy rushed for a school record 297 yards on only 20 carries (14.9 yards per carry average) in Louisiana's nine-point victory at ULM. He was also awarded a "helmet sticker" from ESPN College Football Final. Fenroy scored three touchdowns on runs of 89, 52 and 80 yards. In fact, he also had a nine-yard touchdown run called back on a holding penalty late in the game. The biggest of his runs - an 80-yard TD - came on the Cajuns first offensive play after ULM closed within 37-35 with 5:42 remaining in the game.

■ Fewest Seniors in 2008

Louisiana had just 13 seniors, marking one of the smallest scholarship classes in the nation. Only 10 schools had fewer seniors.

Early Deficit Deepens, Derails Cajuns

HATTIESBURG, Miss.-UL was handed a tough 51-21 loss at Southern Miss on Saturday. The Cajuns fell into an early hole and could not dig themselves out.

USM's Damion Fletcher won the duel between two of the nation's premier running backs, finishing with 21 carries for 222 yards, adding a pair of touchdowns. Cajuns star Tyrell Fenroy finished with 13 carries for 56 yards – all in the first half – and scored a touchdown. Fenroy finished the game nine yards shy of Brian Mitchell's career rushing record.

Southern Miss extended its 20-point halftime lead up to 30 points in the third thanks to a 25-yard field goal by Britt Barefoot and a three-yard run by Bubba Kirksey. The score by Kirksey capped a 10-play, 82-yard drive for the Golden Eagles.

Michael Desormeaux paced the offense with 16 carries for 146 yards. It is his eighth career 100-yard rushing performance. He finished the night 9-of-20 passing for 98 yards. Desormeaux moved into sixth place on the Cajuns' career rushing list and is 25 yards shy of fifth all-time.

Redshirt freshman QB Brad McGuire entered the game midway through the fourth quarter and directed a five-play, 49-yard scoring drive. McGuire hit Pierre Hill with a 21-yard pass in the corner of the end zone.

It's safe to assume that most people in Louisiana on Saturday afternoon had their focus on the impending arrival of Hurricane Gustav. The same may be true for the Cajuns, who seemed to be collectively focused somewhere other than football.

The Cajuns committed three penalties and had a pair of turnovers in the first quarter en route to a 14-0 deficit.

Oh So Close!

CHAMPAIGN, Ill.-Louisiana's gave No. 24 Illinois all they could handle on Saturday afternoon, falling to the 25-point favorite by a final score of 20-17.

After a scoreless third quarter, the Cajuns struck first in the final stanza when Michael Desormeaux scampered in from 34 yards to close the score to 17-10 in favor of the Illini. The play was initially ruled out of bounds at the two-yard line, but an official's video review overturned the call.

IU marched back with a nine-play, 52-yard drive that ended in a 27-yard field goal by Matt Eller.

The Cajuns answered 1:18 later with an 11-yard touchdown pass from Desormeaux to tight end Erik Jones. The score came with only 18 seconds remaining.

An onsides kick by the Cajuns was unsuccessful and the Illini were able to run out the clock.

Despite the loss, the story of the game for the Cajuns was Tyrell Fenroy. On his first carry of the game (14th carry of the season), Fenroy passed Louisiana legend Brian Mitchell to become the school's all-time leader in rushing yards.

Fenroy rumbled nine yards up the middle on his first carry to give the senior 3,336 career rushing yards – one yard more than Mitchell.

Fenroy ended the game with 20 yards rushing and 52 yards receiving. He is only 36 yards behind Brandon Stokley's school mark of 3,761 combined rushing and receiving yards.

The Cajuns had excellent field position in the first half. UL trailed by 14 points after two quarters, but if not for a handful of plays, the outcome might have been different.

Cajuns Pile Up School Record

LAFAYETTE-Louisiana's Ragin' Cajuns earned their first victory of the season by topping Kent State 44-27 on Saturday night at Cajun Field. The Cajuns rolled up a school record 667 yards of total offense in the win.

The Cajuns broke open the game with two touchdowns in less than five minutes after Kent State closed within two points early in the third quarter.

Both scores by UL came on big plays. After Tyrell Fenroy gained 20 yards on a rush, Michael Desormeaux hit Ladarius Green with a deep ball over the defense for a 55-yard touchdown to start the scoring.

After Desormeaux gained 19 yards on a rush, wide receiver Jason Chery took a pitch on the left side and bolted down the sidelines 47 yards to extend the Cajuns lead to 37-21 with 6:28 to play in the third quarter.

Fenroy's third touchdown of the game sealed the win early in the fourth quarter. Fenroy punched the ball in from the one-yard line after Orkeys Auriene's 64-yard punt return put the Cajuns inside the Kent State red zone.

One week after passing Brian Mitchell to become the all-time leading rusher in school history, Fenroy passed Brandon Stokley on Saturday to gain sole possession of the career combined rushing and receiving record.

Fenroy finished the game with 194 yards rushing and 68 receiving upping his career total to 3,987 yards rushing and receiving. Stokley had held the record with 3,761 combined rushing and receiving yards.

Fenroy rushed for 100-plus yards in a Cajuns' home opener for the fourth straight season. His game-ending tally established a new career-high and ranks as the seventh-best rushing performance in school history.

Offense Not Enough At Kansas State

MANHATTAN, Kan.-Louisiana's Ragin' Cajuns continued to play well, unfortunately it did not translate into a win on Saturday afternoon, as UL fell 45-37 at Kansas State.

Trailing by 18 points at the half, UL made it a game with the first two plays of the third quarter.

Lanier Coleman forced a fumble that was recovered by Antwyne Zanders at the Kansas State 27-yard line. Wide receiver Richie Falgout took a handoff and ran to the right, but stopped to throw a perfect pass to Jason Chery for a touchdown with 14:42 left in the third quarter.

Kansas State came back with a 12-play, 85-yard scoring drive to get their 18-point lead back.

The Cajuns answered with a 15-play, 86-yard scoring drive in 6:27. Michael Desormeaux was injured during the drive, but returned on fourth-and-goal from the one-yard line and took the sneak into the end zone. Drew Edmiston's extra point missed to keep the score 35-23 in favor of KSU.

The Cajuns entered the fourth quarter trailing 42-30, but after a defensive stand moved the ball 83 yards in 12 plays, scoring on a one-yard run by Tyrell Fenroy.

KSU built their lead to eight, 45-37, following a 26-yard field goal with 1:37 remaining after a 17-play, 73-yard drive that consumed 7:12. The Wildcats converted three third downs on the drive and a fourth-and-two on a fake punt.

Fenroy had his second monster game in a row. The senior totaled 183 yards rushing on 20 carries and scored three touchdowns for the second straight week.

Desormeaux, who took a physical pounding all game, finished with 98 yards rushing and 136 yards passing. He did not commit a turnover.

Offense Ignites Triumph At ULM

MONROE, La.-Louisiana's Ragin' Cajuns used big play after big play to make sure the team came out on top in its 2008 Sun Belt Conference opener at Malone Stadium.

The biggest of plays came in response to ULM trimming the lead to two points with 5:42 remaining. Tyrell Fenroy took a handoff and rolled 80 yards to pay dirt for the final score in the Cajuns' 44-35 triumph.

UL scored on six plays longer than 50 yards, but needed that one last big play to hold off the Warhawks and Fenroy was able to deliver with his third score of the contest.

Fenroy led all players with 297 yards rushing, his third straight game with at least 180 yards on the ground and his first career 200-yard outing. Fenroy broke Brian Mitchell's school record for rushing in a single game and moved within 30 yards of overtaking Patrick Cobbs as the Sun Belt Conference's all-time leading rusher. His career rushing total is up to 4,021 – the first player in Cajuns history to surpass 4,000 yards rushing.

Michael Desormeaux topped 100 yards rushing for the third time this season, as he ended the night with 149 yards on 10 carries.

In a night of offensive explosion for Louisiana, the Ragin' Cajuns set the school record for team rushing yards with 556 and total offense with 728 total yards on 60 plays. It's the second time this season (667 vs. Kent State, Sept. 20) UL breaks the school record for total offense.

The Cajuns extended their lead in the first four minutes of the second half thanks to a pair of big plays. Jason Chery raced 87 yards for a touchdown on the second play of the half and then Chery caught a 74-yard pass from Desormeaux to give UL a 27-9 lead at the 11:07 mark of the third quarter.

Cajuns Race Past North Texas

DENTON, Texas-Louisiana moved to 2-0 in Sun Belt Conference play for the first time in school history thanks to a 59-30 victory at North Texas. The 59 points are a modern era school record and the most since the team scored 67 points vs. Corpus Christi in 1956.

Tyrell Fenroy, who finished with 92 yards rushing, became the all-time leader in rushing yards in Sun Belt history. Ironically, he passed Mean Green legend Patrick Cobbs on the very field Cobbs accumulated a majority of his yards.

Jason Chery was the other story for the Cajuns. Chery had 335 all-purpose yards and five touchdowns – in the first half. Chery had just seven touches in the first half, two kickoff returns for 131 yards, three receptions for 123 yards and two runs for 81 yards. He scored on a 97-yard kickoff return, an 81-yard run and caught scoring passes of 17, 49 and 57 yards.

Michael Desormeaux led all players with 123 yards rushing with a touchdown. He finished 14-of-20 for 217 yards and a career-best three passing touchdowns.

The Mean Green trailed by only eight points after taking the opening possession of the second half 80 yards in nine plays. Casey Fitzgerald scored on a 43-yard pass from Giovanni Vizza to cut the Cajuns lead to 35-27.

Derik Keyes' first career interception gave UL excellent field position and the Cajuns needed only four plays to reach pay dirt, scoring on a 31-yard run by Desormeaux.

The Cajuns lead was down to 45-30, until Brad McGuire entered the game to finish off an 80-yard touchdown drive. The drive's key play was a 35-yard pass to Erik Jones. Fenroy finished the drive with a one-yard plunge, his 40th career TD rush. The score essentially put the game away, giving UL a 52-30 edge with 8:48 left in the game.

Rally Keeps UL Perfect In Sun Belt

LAFAYETTE-Louisiana's Ragin' Cajuns football team scored 14 points in the game's final 7:39 to rally and defeat Arkansas State 28-23 here Saturday evening at Cajun Field.

The victory keeps the Cajuns undefeated in Sun Belt Conference play at 3-0. Louisiana improved to 4-3 overall.

Tyrell Fenroy gained 128 yards rushing moving within 30 yards of 1,000 and was the hero as he broke through the Arkansas State defensive line with 42 seconds remaining to score the winning touchdown.

Arkansas State's Darius Glover intercepted a Brad McGuire pass and returned it 29 yards to put ASU up 23-14 with 7:39 remaining. McGuire and the Ragin' Cajuns responded with a 9 play, 57-yard drive over 3:23 to trim the Red Wolves lead to 23-21.

The Cajuns defense clamped down and forced ASU to a three-and-out. A punt returned the ball to UL and set up the game-winning drive.

Faced with a third down-and-eight situation McGuire connected with Derrick Smith for a 14-yard pickup and a first down. McGuire would hit Smith on third-and-14 moments later, this time a 30-yard gain that moved Louisiana down to the ASU 9. That's when the ball was given to Fenroy who bounced off tackles and rolled nine yards into the end zone to vault UL in front 28-23 with 42 seconds left to play.

McGuire, filling in for Michael Desormeaux, completed 9-of-16 passes for 106 yards – with 86 passing yards in the second stanza. He also gained 54 yards rushing.

Fenroy's touchdown pulled him into a tie with Eugene Gross for the Sun Belt Conference rushing touchdown record with 41. Fenroy will enter the FIU game on Nov. 1 with 4,241 career rushing yards.

LAFAYETTE-Two key fumble recoveries and an interception late in the fourth quarter sealed up a 42-28 victory for Louisiana's Ragin' Cajuns over Middle Tennessee on Wednesday night in the 2008 regular season finale at Cajun Field.

Dark Leads "Louisiana's Best Team" to Win

What many consider to be "The Best Team in Louisiana History", Louisiana (then known as Southwestern Louisiana Institute) defeated Arkansas A&M (the present-day University of Arkansas at Monticello) 24-7 to claim the 1944 Oil Bowl Championship.

The New Year's Day rematch was played under the same rainy, muddy and foggy conditions as the earlier meeting between the two teams on Nov. 6 in Memphis, Tenn. That game ended in a 20-20 tie.

The Cajuns versatile backs and strong offensive line was no match for the Aggies.

"I say that no team, and I put the emphasis on Notre Dame, could have beaten us that day," said Louisiana-Lafayette head coach Louis Whitman.

Louisiana-Lafayette was led by quarterback Alvin Dark, who either scored or set-up each of the Cajuns tallies.

The Cajuns struck in the first quarter when Dark returned an Aggies punt 24 yards down to the AAM 21 yard-line. Following an offsides penalty and a first down run by Dark, Dark then split the uprights from 16 yards to give the Cajuns a 3-0 lead.

Louisiana-Lafayette upped their lead to 10-0 just two possessions later. Moe Richmond made a sensational leaping catch between two defenders for a 12-yard score from Dark.

Arkansas A&M moved down to the Cajuns 19 on the next possession, but came away empty handed. AAM's quarterback needed just two completions to move the Aggies 51 yards, but then threw three consecutive incompletions to turn the ball back over to Louisiana-Lafayette.

The Aggies scored on their first possession of the second half to cut the Cajuns lead to 10-7. A running into the kicker penalty on the Cajuns helped extend the AAM 64-yard drive that ended in a 27 yard touchdown pass from Gray to Bill Coomer.

Dark pinned the Aggies deep in their own territory with a 48-yard punt and then returned the ensuing AAM kick 15-yards to Cajuns 33 yard-line. Back-to-back first down runs by Bob Pillow and Dark set-up a seven-yard touchdown plunge by Pillow to give the Cajuns back their 10-point cushion.

Another excellent punt by Dark led to a short field for the Cajuns offense and another touchdown. Runs by Dark and Vincent Buckley set-up a 10-yard touchdown run by Dark to complete the scoring.

Cajuns Victim to Turnovers, Lose 26-25

The Ragin'Cajuns, appearing in their second bowl in school history, fell victim to turnovers and special teams miscues en route to a 26-25 loss to the Tennessee State University Tigers.

Tennessee State scored two touchdowns in 1:28 to take a 14-0 lead after one quarter.

Louisiana-Lafayette responded with two touchdowns in the second quarter. Nelson Schexnayder hauled in a seven-yard touchdown pass from George Coussan, but Roy Pendergraft's extra point was blocked. Robert Gill scored on a four yard run just 3:46 later, but Coussan's pass to Dickie Haik was broken-up, and the Cajuns trailed 14-12 at the half.

A scoreless third quarter led to a frenzy of activity in the fourth stanza.

Schexnayder caught his second touchdown of the game on a 17-yard toss from Coussan with 8:57 remaining in the game. Pendergraft's extra point gave the Cajuns a 19-14 lead.

The ensuing kickoff was fumbled by J. Thaxton into the end zone where Mike Courville recovered for a Cajuns touchdown. Pendergraft's extra point was blocked again, giving Louisiana-Lafayette a 25-14 lead.

TSU traveled 55 yards on seven plays in 2:45 culminating in a three-yard touchdown scramble by Joe Gilliam. Albert Davis was cut down on the try for two, keeping the score 25-20 in favor of the Cajuns.

Coussan's seventh interception of the game led to a short touchdown run by Davis with 3:22 remaining in the game.

The Cajuns comeback hopes were dashed when Tom Hauser's pass was intercepted by Donald Pinson, his fifth pick of the game, TSU's eighth.

▶ DID YOU KNEAUX?

On August 1, 1973 the NCAA's membership was divided into three legislative and competitive divisions at the first special convention ever held. All major schools were reclassified as Division I and other schools were divided into Division II and Division III.

In 1978, Division I members voted to create sub classifications I-A, I-AA, and I-AAA for the sport of football. When I-AA was formed in 1978, the playoffs comprised just four teams, doubling to eight teams in 1981. The following year (1982) it was changed to a 12-team playoff, with each of the top four seeds receiving a first-round bye and a home game in the quarterfinals.

After the 1981 season, 40 schools left I-A, with 37 moving to I-AA and 3 moving to I-AAA (dropping football). At this time, UL chose to leave the Southland Conference and become independent in order to remain classified as a I-A institution.

In August 2006, the NCAA voted to rename I-A and I-AA to the Football Bowl Subdivision and Football Championship Subdivision, respectively.

Louisiana is one of 91 NCAA Division I schools that has been a member of the NCAA's Football Bowl Subdivision (formerly Division I-A) since its inception prior to the 1978 season. In fact, Louisiana is the only Sun Belt Conference football member that has been a FBS member every season since 1978. ***Louisiana has never been a member of the NCAA's Football Championship Subdivision (formerly known as Division I-AA).***

Below is a list of 91 NCAA Division I programs that have been members of the FBS since 1978:

In 2003, UL became the first school in NCAA history to score two TD's in one season on blocked field goal returns. Britt Jackson's 30-yard interception return for a TD with 6:30 left in the game helped the Cajuns upset #25 Texas A&M on Sept. 14, 1996 by a final score of 29-22. The defense had four INT's and recovered four fumbles that day. Thomas King attempted the first defensive extra point return in NCAA history (6 yards on 9/3/88).

DR. E. JOSEPH SAVOIE

University President | Louisiana-Lafayette, 1976

Dr. E. Joseph Savoie is the sixth president of the University of Louisiana at Lafayette.

He holds bachelor's and master's degrees in education from UL Lafayette and earned a doctor of education in educational leadership and administration from Columbia University's Teachers College in New York.

As former Commissioner of Higher Education for the State of Louisiana, he was involved in several major postsecondary education reforms in Louisiana, including:

- the restructuring of higher education governance;
- creation of the Louisiana Community and Technical College System;
- teacher education and school reform initiatives;
- the state's Master Plan for Public Postsecondary Education; and
- the promotion of collaboration within the entire education community.

Under his leadership, financial support for public postsecondary education more than doubled and Louisiana's colleges and universities became more engaged in addressing Louisiana's economic and social challenges.

Savoie held numerous state, regional, and national positions. Govs. M. J. "Mike" Foster, Edwin Edwards and Kathleen Blanco all tapped him for higher education committees and commissions in their administrations. Savoie was a cabinet member in three governors' administrations – Foster's, Blanco's and Bobby Jindal's.

His regional and national affiliations include the Southern Regional Education Board, the national State Higher Education Executive Officers, the Council for Advancement and Support of Education and the American Association of School Administrators.

His awards and honors include the 2007 CASE District IV Chief Executive Leadership Award, which was renamed the "Dr. E. Joseph Savoie Chief Executive Leadership Award;," the 2004 University of Louisiana at Lafayette Outstanding Alumnus Award; and the 2000 Henry Mason Award, which is presented by the Louisiana Chapter of the American Association of University Professors.

Savoie returned to his alma mater as president in July 2008. Prior to his appointment as Commissioner of Higher Education, he served in many roles on the UL Lafayette campus, including vice president for University Advancement, executive director of the Alumni Association, program director for Union Program Council, student government advisor and adjunct assistant professor.

Savoie and his wife, Gail, have a daughter, Jennifer Blaire Saulnier, and a son, Adam Savoie.

"The UL Athletics Department is very fortunate to have outstanding coaches and a very dedicated staff...The potential is enormous and our goal will be to reach that potential."

Thank you for your interest in the University of Louisiana Ragin' Cajuns football. The Louisiana Sports Information Office has produced the 2009 football media guide to assist in your coverage of the Ragin' Cajuns.

If you have any questions, comments or concerns, please feel free to contact any member of the UL SID staff. We look forward to working with you throughout the 2009 season.

COVERING LOUISIANA

Rickey Bustle Availability

■ Head coach **Rickey Bustle** will be available for interviews on Monday during the Sun Belt Coaches Teleconference and at his weekly luncheon. He is also available in his office from 2:15-3:15 p.m., Monday-Thursday, for telephone and in-person interviews. ***Contact Judy Becker at (337) 482-6318 to make an appointment.***

Player Availability

■ **MEDIA MEMBERS SHOULD NEVER CONTACT A STUDENT-ATHLETE DIRECTLY AT ANY TIME.**

■ That contact rule begins the minute the S-A enrolls in school as a freshman until the time they run out of eligibility – offseason and summers included. Contact includes, but is not limited to, in-person interviews outside of an athletic event or practice, phone calls, text messages, email and any other form of online communication (ie. Facebook, MySpace, etc.).

■ Student-athletes have been instructed to immediately terminate any contact initiated by a member of the media.

■ Player interviews **MUST** be arranged through the SID office. During the season, select Cajuns players are available to the media twice a week, typically Tuesdays and Wednesdays. To arrange an interview before or after practice, please call or email **Daryl Cetnar** at least one day in advance. Players will not be available for game-day interviews until the post-game press conference. ***Interviews will always be scheduled around a student-athlete's academic schedule.***

■ 2009 Football Student-Athlete Availability

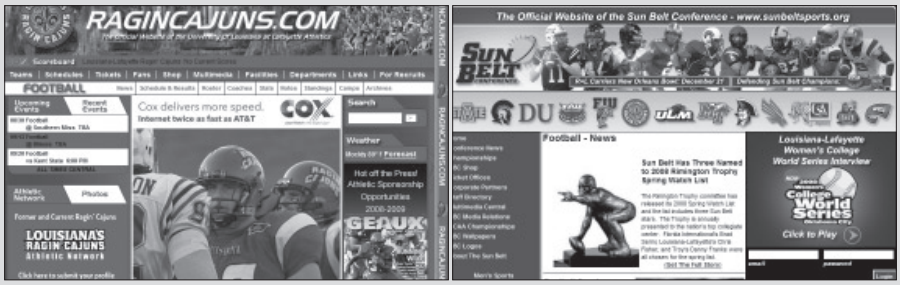
Sunday – Practice Open - No coach or player interviews
Monday – Players Day off (except those brought to Media Luncheon), coaches available by appointment
Tuesday – Practice Open – Interviews after practice
Wednesday – Practice Open – Interviews after practice
Thursday – Practice Open - No player interviews
Friday – Walk-through closed - No interviews
Saturday – Post-Game only
(all availability subject to change at any time without prior notice)

Practices

■ ***Practices are open to the media on Sunday, Tuesday, Wednesday and Thursday only, but may be closed at any time upon announcement.*** Media should contact the SID office if they plan to attend practice and should be aware of the designated areas around the practice field from which to view practice.

■ Video crews shooting footage during practice, though, are asked to limit their filming to the first 30 minutes.

MEDIA SERVICES



ragincajuns.com sunbeltsports.org

Both **ragincajuns.com** and **sunbeltsports.org** are available to the media and general public. Media and fans are welcome to access from the most current media guide to game notes, recaps, schedules, rosters, statistics and player profiles on ragincajuns.com. The official site of the Sun Belt Conference, sunbeltsports.org, features the most current media guide, game notes and updated statistics during the regular season.

Injury Information

■ The Health Insurance Portability and Accountability Act of 1996 (HIPAA) regulates the use and disclosure of certain information held by "covered entities". It establishes regulations for the use and disclosure of Protected Health Information (PHI). PHI is any information held by a covered entity which concerns health status and provision of health care that can be linked to an individual. This is interpreted rather broadly and includes any part of an individual's medical record.

■ **HIPAA Privacy Rule.** Under the HIPAA Privacy Rule, the University must reasonably limit uses and disclosures of medical information to the minimum necessary to accomplish their intended purpose. In order to supply the media with injury information related to student-athletes, the University shall be limited to discussing the athlete's name, along with a broad term for the injury and upcoming playing status.

■ Student-athletes that miss practice due to an injury will not be available to the media for post-practice interviews.

■ Student-athletes that are injured during a game will not be allowed to participate in post-game media interviews.

■ **Members of the media should never approach athletic trainers to discuss the injury of a student-athlete.** All covering news outlets, including live television and radio broadcasts, will be supplied with in-game injury information by the SID.

■ The SID office, in association with the athletic trainer, will have an injury report available to the media on Wednesday.

Game Notes

■ During the season, football game notes will be available on Mondays at Noon to media members and will also be available at **www.ragincajuns.com**.

■ In addition, a late Monday release will contain highlights from head coach Rickey Bustle's Monday press luncheon. A mid-week practice report and other necessary game information will be released late Wednesday.

Working Press Area

■ The entrance to the Cajun Field press box is through the press elevator, located at Gate B adjacent to the elevator tower on the west side of Cajun Field.

■ The press box opens approximately three hours prior to game time and meals will be served in the press box beginning approximately 90 minutes to kickoff.

■ Working media credentials are required for admittance to the press box and for meals.

■ The Level 1 area is reserved for media members as well as game staff and statistical personnel. Broadcast outlets, coaches booths and game management areas are located on Level 2. The camera deck is located below Level 1.

■ The press area, as well as the Cox Communications Media Room, is equipped with high-speed wireless internet. Media and photographers may access the network with the proper log-in information. Please contact a SID staff member for help.

■ Electrical outlets and telephone lines are available on a first-come, first-served basis in the working press area and Media Room.

Press Box Media Services

■ Pre-game notes, programs, media guides and statistics along with other information will be provided to all media members prior to kickoff. Play-by-play and stat sheets are provided at the end of each quarter. Live running stats are also available via monitors throughout press row and on the internet at www.ragincajuns.com during the game.

■ Internal public address will provide updated information and notes throughout the game as well as play-by-play particulars.

■ Members of the UL SID staff will man the press box phone number, (337) 851-2255, which should be used for any questions or information needed during the game.

■ ***Louisiana and the Football Writers Association of America (FWAA) jointly remind you that the Cajun Field press box is a working press facility and that cheering for either team will not be tolerated. Violators will be asked to leave by security personnel.***

CREDENTIAL POLICY

CREDENTIAL & PARKING POLICIES AND GUIDELINES

Credentials, parking passes and working space for all media members are issued at the sole and exclusive discretion of the UL SID office.

Media must request credentials in writing through SID **Daryl Cetnar** at **sportsinfo@louisiana.edu**. The SID Office should receive all credential requests no later than 10 days prior to the game. All season credential requests must be made at least two weeks prior to the season.

ANY ATTEMPT TO REPLICATE A PARKING PASS OR CREDENTIAL FOR THE INTENT OF DISTRIBUTION WILL RESULT IN A PERMANENT LOSS OF PRIVILEGES.

Requests from individuals not employed by a legitimate media outlet WILL NOT be considered.

Working Credentials

■ With the exception of those covering the Ragin' Cajuns daily, all passes are issued on a game-by-game basis with consideration of available working space.

■ Louisiana reserves the right to deny media credentials to any individual.

■ Requests will be honored from sports editors of daily newspapers and sports directors of TV and radio stations.

■ Time permitting, credentials will be mailed. However, in the event that credentials cannot be mailed, they can be picked up at Media Will Call which is located at Gate B at the base of the Cajun Field elevator tower. During the week, credentials may be picked up in the SID Office located in Room 140 of the Cox Communications Athletic Center.

■ Credentials are non-transferable and are subject to immediate revocation at any time, if transferred.

■ Only websites that are affiliated with a national or regional news media organization (CNN/SI, ESPN, etc.) or an opposing institution will be considered for credentials.

■ Web sites that sponsor "message boards" or "chat rooms" where people are allowed to post anonymously are ineligible for credentials and access to media functions.

■ If a news-gathering medium has an on-line site that sponsors these anonymous forums, they may continue to request credentials under its traditional medium (newspaper, magazine, radio or television), but will not be granted additional passes or access for on-line staff. **ALL passes can be revoked if the traditional medium fails to monitor its anonymous forum for malicious defamation against the University and its' coaches, student-athletes and administrators.**

■ All media members are asked to enter the stadium through the media gate located adjacent to Gate B at the base of the Cajun Field elevator tower.

Media Parking

■ Media parking at Cajun Field is available on a limited basis in a designated lot. Requests for parking passes should be made well in advance to the SID office. It should not be assumed that parking passes will be provided to all media. Passes must be displayed in the front windshield at all times (you will not be allowed in the parking area without a parking pass).

media GUIDELINES

Postgame

■ Requested Cajuns players and head coach Rickey Bustle are available in the interview room following the mandatory 10-minute cooling-off period.

■ ***The Louisiana locker room is CLOSED to the media at all times. Media outlets may request players to be brought to the interview room for post-game interviews.***

■ The Cajun Field elevator will be held for working press midway through the fourth quarter and will promptly leave with 5:00 left on the clock to take media members to the post-game interview area. Members of the UL Sports Information staff will escort media to the interview room (located in the auxiliary building behind the Cox Communications Athletic Center) and will be available to handle requests.

Postgame Media Services

■ Game books and Louisiana player and coach quotes will be distributed in the media work room. The media work room is located in the Cox Communications Athletic Center, Room 140. **All media members are asked to complete their game stories in the media work room.**

■ UL will provide complimentary fax/email service for media by request only. Should you need information faxed or emailed, please contact a member of the Louisiana SID staff.

Credential Priority

Credentials are issued based on the following priorities and guidelines:

1. Personnel involved in a live radio or TV broadcast.
2. Daily newspapers and media outlets regularly covering Louisiana and the current opponent. Wire services, regional and national publications are also afforded this opportunity.
3. Non-originating radio and television personnel producing reports on the game. Only local radio and TV stations with a full-time sports director conducting a regular sports show will receive consideration for credentials.
4. Officially recognized UL or opponent student publications or electronic media outlets.
5. Non-daily newspapers or publications covering the game.

NOTE: Spouses, dates, non-workers and anyone under 18 years of age are not permitted in the working press area.

CREDENTIALS MUST BE VISIBLE AT ALL TIMES.

Visiting SID/AD

■ Three seats, two electrical outlets, and a phone line, (337) 262-5826, are reserved for visiting SIDs. Contact **Daryl Cetnar** in advance to make specific arrangements. Please provide 35 copies of your game notes, or email a final pdf no later than Thursday of game week. Please ship at least 18 media guides to Daryl Cetnar one month prior to the date of the game.

■ Passes for the travel party will be sent from Daryl Cetnar to the visiting SID, unless otherwise instructed. Please make your entire credential request at least 10 days prior to the game. Teams will be allotted 50 sideline passes and up to 10 coaches booth passes. No more than 10 all-access passes will be granted.

■ Each visiting athletics director is given a private box. The box is located on the second floor of the press box. Enter door marked "Visiting AD Box". Ten tickets will be sent to the attention of the visiting SID, along with all travel party passes.

Photo Requests

■ Requests for still and action photos of current student-athletes must be made in writing to **Daryl Cetnar**. Still and action photos of former student-athletes are available on a very limited basis. Media outlets should make requests well in advance of any deadline. Headshots of current student-athletes can be accessed via www.ragincajuns.com. Contact the SID staff for instructions on how to download the 3.0"x3.5", 300dpi, images.

Sidelines and Live Photography

■ ***The sidelines at Cajun Field are an extension of the press box and are limited to working personnel only.*** NCAA guidelines are enforced, with photographers not allowed to shoot within the confines of the 25-yard-lines on either side of the field. Credentials are required on the sidelines. ***Photographers and videographers that shoot in the team area will be removed from the sidelines and may have their credential privileges revoked.***

■ Photographers wishing to work the sideline areas should notify the SID staff well in advance of the game.

■ It is against NCAA and University rules to sell any image taken at a practice or during a game - especially, but not limited to, current student-athletes.

■ ***The photo deck is located below the Cajun Field press box and is accessible through the working press area.*** All team film and television taping should be done from this area. Credentials are required for this area.

■ Visiting team videographers should contact Darren Walker, Video Coordinator, at (337) 482-6872 for specific information.

Television

■ Television rights are retained by the Louisiana Athletics Department and any station desiring to originate either live or delayed broadcasts must contact Scott Farmer, Senior Associate Athletics Director at (337) 482-5393.

Visiting Radio

■ Radio rights for Louisiana football are owned by KPEL Radio. Stations wishing to receive their broadcast or needing more information about the network may contact Jay Walker at (337) 233-7003 or by e-mail at jay@espn1420.com.

■ Only the "official" radio outlet of the visiting team is permitted to originate a live broadcast without written permission of the UL Athletics Department. ***Two standard analog telephone lines are provided by KPEL in the visiting radio booth.*** The University provides a dry-pair line from the visiting radio booth to the visiting locker room. Please contact the SID office at least two weeks in advance if you will be using the dry-pair connection.

■ If the official visiting radio station needs additional analog telephone lines or ISDN lines, please contact AT&T directly to place your order. The physical address of Cajun Field is 2351 West Congress St., Lafayette, LA 70506. Allow 4-6 weeks for installation.

■ Radio booths are located on the second level of the press box. The visiting radio booth is located adjacent to the public address booth. Look for signs marked "PA / Visiting Radio".

■ Other visiting stations desiring to originate broadcasts must get approval from UL SID **Daryl Cetnar** before any arrangements will be made or credentials issued.
